FAIR EXCHANGE

A NEW BACK FOR AN OLD ONE. HOW IT CAN BE DONE IN DE LAND.

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. DeLand residents would do well to profit by the following example.

Lee Rogers, carpenter, First St., Sanford, Fla., says: "Last spring I had a severe attack of lumbago and was unable to get around for several days. My back was so lame that I could hardly dress myself and although I used plasters and rubbed my back with liniments, I could get no permanent relief. A friend finally advised me to try Doan's Kidney Pills which I did. In a few days after using them my back became stronger and by the time I had finished the contents of one box, the lameness and pain had disappeared. I am now able to work every day without the least inconvenience."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
